MERCHANTS ALL INTERESTED

Large Business Houses and Telephone Company Are Placing the Stamps on All Their Letters.

Owing to the unusual demand for red

cross Christmas seals this year Mrs. K. R. J. Edholm, secretary of the local Society for the Study and Prevention of Tuberculosis, has been compelled to send for an additional 70,000 stickers. The original allotment for Omaha was 750,000 Shortly after the first of the month an additional 50,000 were wired for and still another 20,000 are now on the way here. The merchants in Omaha have taken great deal of interest in the sale of these stamps this season. The larger business houses have purchased large number of the stickers to use on their mail. Caspey Yost of the Nebraska Telephone company one of the latest to add his name to this list. He purchased 2,500 of the stamps Mrs. Edholm has had installed a red cross seal phone in order to help out the stamp sellers. The number of the tele phone is Douglas 4317 and Mrs. Edholm

The interest in the red cross seals on in the state is far greater than in years past. At North Platte especially is this apparent. On December II a tuberculoris day was observed in the public schools and a large number of the seals were Wilson Tout, superintendent of schools at that place, wired for 25,000 seals, but could not be supplied.

requests the merchants to telephone their

#### **Economic Questions** Will Be Discussed

The Nebraska revenue law will be extensively discussed at the first formal meeting of the Economic league at a meeting to be held Tuesday evening on the ground floor of the new county court house, southeast corner.

It is announced that this association differs from the usual public welfare as sociation in confining its attention strictly to economic questions. Several speakers have been secured to discuss the revenue law. J. W. Woodrough will talk on "The Constitution and the Present Law." The subject of "Degrable Changes from an Administrative Standpoint" will be discussed by W. G. Ure. "Desirable Changes from Country Standpoint" is the subject chosen by Frank G. Odell.

A number of persons from out in the state have indicated their intention of attending. No admission will be charged.

## Number of Saloons

Applicants for saloon licenses will be given a hearing before the city commus-gion Wednesday afternoon at 2 o'clock. D. Nindel. when that body will meet to consider the application of 250 saloon keepers.

Holders of saloon licenses now will, unless there is serious objection, be granted Harry C. Ryan, new licenses, but the commission has O. F. Nelson. gone on record as opposed to increasing Misses—Addab Laughlin,

women dived in up to their shoulders after pieces of money thrown down by men on the third and fourth floors.

Mrs. Frank Pond-maybe her name made it possible-secured the most money, and Mrs. W. B. Peake was a close sec ond as a successful diver. They secured \$1.75 for the Ladies' Aid society of the church by making the dives. Members of the Queen Esther circle, which has aquarium, fished out 30 cents for their of the advance in wages of the telegorganization.

#### Deaver Will Import Cows from New York

D. Clem Deaver of the Burlington is saunching a campaign to bring dairy Minnie Tolles Bound cows in from New York and sell them to the farmers in the western and central portions of the state. He has learned that in New York young grade, but not pedigreed cows, can be bought from \$50 to \$60 each, animals that here would readily sell from \$70 to \$80. The freight from New York to destination would not exceed \$10 to \$15.

Deaver has about completed arrangenents with a number of bankers in towns out in the state by which, if the farmers desire, they will loan the money no North Forty-second street. Owing to their pay out of the cream checks next recent bereavement in the family of the summer. According to Deaver he will be

Ryder's Measure Will Be Introduced in Council Thursday Morning. City Commissioner Kugel's ordinance

NEW OFFICE IS TO BE CREATED Ordinance Provides for a Smoke Inspector to Be Paid \$2,500 Annually Out of Fees Paid

Into His Office.

Police Commissioner Ryder's revised moke ordinance will be introduced be- signs that do not come under the classififore the city commission this morning. It is the plan to have it become effective June 1. During the intervening nonths a campaign of "education" will be conducted to thoroughly inform the public as to what the measure provides. By this ordinance the office of smoke aspector is created. The inspector is to be paid \$1,500 a year out of the fees of engineer and an authority on chimneys. Private dwellings are not exempted from inspection under the new ordinance. All buildings, steam rollers, dredges, steam smoke longer than six minutes an hour. A committee from the Commercial club worked with the police commissioner in the drafting of the new ordinance and it has met with the approval of the commissioners who have read it.

#### Women of New York Start Crusade to Cut Price of Eggs

NEW YORK, Dec. 16 .- Fifty thousand New York women, following the lead of their sisters in Philadelphia, began today price, the day was to be devoted to a campaign of education among dealers If this plan fails, the Housewives' league and affiliated organizations propose to establish stations throughout the city where eggs will be sold at moderate

"The dealers," Mrs. Julian Heath, president of the Housewives' league, said to day, "can make a good profit on cold storage eggs at 26 cents and I believe they will meet our demand. A number of dealers already have done so.

According to Mrs. Health, the egg crusade is only the beginning of a general movement to lower the prices of butter and vegetables.

#### Loses Sixty Pounds on Buttermilk Diet

Jake Krug of the Cassell Realty and the Krug Brewing companies is short eighty-five pounds of avoirdupois. Oc tober 15 Krug decided to diet. At that date his weight was away beyond 300 pounds. For sixty days he ate absolutely nothing, his only food being three glasses of buttermilk a day. Sunday he ate his frames, whisk broom holders and the first square meal for sixty days. He says he is feeling fine and would recom mend the diet to any fat man or any person who wants to decrease his weight and better his health.

Duesen, Dunn and Kinnelly upon con plaint of United States District Attorney F. S. Howell, who says that he has been informed that the man has been posing as a United States secret service agent. Howell asserts that West appeared at local typewriter exchanges and attempted to employ young girls to copy evidence in some of his cases. He is being held without bond and will be arraigned this week before Comissioner H. S. Daniel

### Power, Money and Fame, by Many Are Worshipped as Idols

At the Third Presbyterian church yesterday morning Rev. T. T. Koopman. late of Milwaukee, spoke to a good sized congregation. Rev. Mr. Koopman's topic was earnest and convincing, the subject being "The Kingdom of Heaven." He contended that too many people worship idols such as power, money and fame to the extent of partially or wholly neglectmen and presented them to the court as ing religion. He deplored forcing men to do good, when the doing of good came mechanically and not from any true wish

of the doer's heart. Through prayer and instruction in the right way the kingdom of God will be made manifest, and through this method voluntary and true good will be enacted to make the foundation of the heavenly \$75 minus the fines and costs. The com- city firm and strong, said the speaker He urged people to seek the heavenly kingdom first, and then the world with "You couldn't get those fellows into its joys and sorrows would cease to have In the course of his sermon remarked "They do object." ### He will be specially Pleased with a Gillette for his Christmas

YOU know how hard it is to find any thing to give a man for Christmas. He doesn't care much for the general run of gifts,—but he is strong for things that do him a practical service.

Get him a Gillette. That is something he will use every day-because it makes his shaving simple and easy.

The Gillette is just the kind of thing a man will understand and like to use. He can shave at home in three minutes instead of wasting time at the barber-shop. He will save many dollars in the cost of shaves and tips.

The Gillette is made in more than forty different styles—everything from silver-plated to triple gold, at \$5.00 to \$50.00.

Look over the Gillette displays in the stores of dealers in this city. Make your gift selections early. A very acceptable small gift is a Packet of Gillette Blades at 50c. or \$1.00.
